PHOTO OF THE MONTH

Congratulations to Joe Constantino for his Print Entry Winner for "What Is It?

This was taken on the field trip with the club to Tampa. The site is a little alcove right outside the Tampa Museum of Fine Arts. The alcove is about eight feet wide and 20 feet long shot from the inside looking out. It was a regular digital image which Joe converted to black and white and then solarized. After solarization the contrast was increased for effect.
